MANAGEMENT DISCUSSION AND ANALYSIS**BUSINESS OUTLOOK AND OPPORTUNITY**

Global growth is expected 3.9 % next year as per IMF supported by strong momentum, favourable market sentiment and recovery of in commodity prices. Reversing two years of declining growth, Indian economy is set to expand at 7.3% in 2018-19 and at 7.6% in 2019-20, aided by various growths oriented new policies measures, as per Asian Development Bank. The revised fiscal deficit was put at 3.5% of GDP in 2016-17, higher than 3.2% budgeted last year. The fiscal deficit has been projected at 3.3% of GDP for the year 2018-19, higher than the fiscal consolidation target of 3%. The main growth driver for Indian economy would be rural consumption, continued infrastructure development projects FDI investments other than local factors effecting like rain, GST, inflation etc.

The company's significant share of revenue comes from two wheeler finance in rural area. The thrust on rural and infrastructure sectors in the Union Budget could rejuvenate rural demand and also crowd in private investment. Out of 57.92 Cr. of finance during the year 39.33 crores stands towards two wheeler business while 8.68 crores in second hand four wheeler segment. Remaining is towards other loan business secured by assets. Overall the two-wheeler industry saw a total sales of over 2.01 crore units sold in the Indian domestic market and exports from the country also shot up by over 20 percent. Within the Two Wheelers segment, Scooters and Motorcycles grew by 19.90 percent and 13.69 percent respectively, while the sales of mopeds declined by 3.48 percent in recently concluded FY 2017-18 when compared to sales in April-March 2017.

Further breaking it up, motorcycles segment saw a total domestic sales of over 1.26 crore and scooters contributed to 67.19 lakh units last year. As per SIAM report, India has 11 motorcycle manufacturers and 7 scooter manufacturers. Motorcycles contributed to 62.4 percent of the total sales, scooters increased their contribution to 33.27 percent and mopeds share declined to 4.25 percent.

Hero MotoCorp also the world's largest two-wheeler manufacturer has continued to be the leader in the Indian two-wheeler industry by selling over 73.82 lakh motorcycles in the Indian market. This is about 14 % more than what it sold last year. Hero Splendor has been India's top-selling motorcycle and launch of new products like Hero Glamour and HF-Deluxe continue to allure buyers especially in the rural markets. Hero MotoCorp did lose out on its scooter sales to its former Japanese partner Honda Motorcycles and Chennai based TVS Motor Company also overtook Hero in scooter sales.

Honda Motorcycles and Scooters India (HMSI) has grown at a massive 22.23 percent growth in India and sold a total of over 57.75 lakh motorcycles and year-on-year is closing on the gap to become the market leader. Scooters contributed to over 66 percent of Honda's total two-wheeler sales in India with over 38.21 lakh scooters sold. Honda Active is the country's most sold scooter and the company has also launched the Honda Grazia and Honda Cliq to cater to the younger audience.

Only motorcycle manufacturers Bajaj and Royal Enfield have reported a sales of 19.74 lakh units and 8.01 lakh units respectively. While Bajaj Auto's sales did drop by 1.3 percent YoY, Royal Enfield grew by over 23 percent and recorded its most sales ever. Japanese two-wheeler manufacturers, Suzuki Motorcycle and Yamaha Motor India sold a total of 5.01 lakh and 7.92 lakh units respectively. Both of these companies sell scooters, commuters and premium motorcycles in India. Suzuki Motorcycle closed the financial year at a market share of 2.48 percent and Yamaha's market share in India is 3.92 percent.

During the recently concluded financial year, the two-wheeler manufacturers in India achieved various milestones including maximum two-wheeler production at 23 million, production of scooters crossing 7 million and motorcycles crossing 15 million for this first time.

The industry believes that the growth would continue to be consumption led as interest rates are expected to remain soft and inflation under control in the New Year. In FY19, motorcycles are expected to grow moderately. However interest rate hike may adversely affect the business as company may not be able to increase the consumer rate after financing.

However the main cause of worry for the company is own product financing at lower rate by manufactures company through their NBFC business.

Our mission is to be sound NBFC among regional players in terms of product offerings, technology, service levels, risk management and audit and compliance etc. The objective is to continue building sound customer / franchises across distinct businesses so as to be a preferred provider of NBFC services for its target retail and customer segments, and to achieve a healthy growth in profitability, consistent with the Company's risk appetite. The Company's range of retail financial products and excellent services and branches net work is fairly exhaustive to meet up the coming challenges. The objective is continue to build sound customer/dealer friendly atmosphere to achieve healthy growth in profitability, consistent with Company's risk appetite. The Company also emphasizes to develop innovative products and services that attract its Customers, Increase its market share as NBFC and financial services industry by following a disciplined growth strategy focusing on balancing quality and volume growth while delivering high quality customer service, maintain reasonably good standards for asset quality through disciplined credit risk management; and continue to develop products and services that reduce its cost of funds; and Focus on healthy earnings growth with low volatility. Our Company growth is more important especially looking to the concentration in rural area for the business. The Company grew its retail assets portfolio in a well balanced manner focusing on both returns as well as risk. Company intends to follow conservative view in the coming years. Company also expects continuous threats to small/medium Company like us, from global/giant players in the retail finance market especially with large size/volume, lower rate of interest and ability to sustain in the market is inevitable for the Company to sustain in the market.

Overall, in spite of various pros and cons your Company has demonstrated outstanding achievement in terms of earned valued and well-built market presence. Your Company is cash rich, has better liquidity, improved working capital and it has shown its readiness to accept market challenges. All of these are signs of strong fundamentals which the Company has been able to establish with the help of better and professional management support.

RISK MANAGEMENT / SWOT ANALYSIS

The RBI has been tightening regulations to manage the risk in the sector and has been proposing higher capital and provisioning requirements. It has also been stressing on higher disclosures to safeguard public money and prevent systemic shocks. In addition, the RBI has taken rapid preventive actions in addressing specific issues to manage systemic risk. It has issued an ombudsman scheme for NBFCs, offering a grievance redressal mechanism for their customers.

Your Company has comprehensive Risk Management System towards identification and evaluation of all potential business risks. Management has developed Risk Management Plan and reviews its implementation regularly. The Company is exposed to external and internal risk associated with its business. To counter these

risks, the Company continues to broaden its product portfolio, increase customer profile and geographic reach. Taking on various types of risk is integral to the NBFC business. Sound risk management and balancing risk reward trade-offs are critical to a Company's success. Business and revenue growth have therefore to be weighed in the context of the risks implicit in the Company's business strategy. Of the various types of risks your Company is exposed to, the most important are credit risk, credit concentration risk, market risk, business risk, strategic risk, interest rate risk, model risk, technology risk including liquidity risk price risk and operational risk. The identification, measurement, monitoring and management of risks accordingly remain a key focus area for the Company. For credit risk, appropriate distinct policies and processes are in place for the retail businesses. Overall portfolio diversification and reviews also facilitate mitigation and management. Especially a small capital based Company faces multiple problems due to poor recovery systems. The specific NPA provisions that the Company has made continue to be more conservative than the regulatory requirements. This will help the Company to maintain high standards for assets quality through disciplined credit risk management.

The Company has strength as being the pioneer in the two wheeler vehicles financing sector in Gujarat/Maharashtra, Oldest NBFC since last 20 years, sound financial position since inception, a well-defined and scalable organisation structure, strong financial track record with low Non Performing Assets (NPAs), Experienced and stable management team, strong relationships with public, private as well as banks, fast Procedure. Independent Auditor's Report

**The Members of
Ceejay Finance Limited**

Report on the Financial Statements

We have audited the accompanying financial statements of Ceejay Finance Limited ('the Company'), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018 and its profit and its cash flows for the year ended on that date.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Ceejay Finance Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2018

NOTE: 1

1.1 Basis of Preparation:

The Financial statements have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting standards notified under the Companies (Accounting Standards) Rules, 2014, (as amended) and the relevant provisions of the Companies Act 2013. The financial statements have been prepared on accrual basis under historical cost convention.

- 1.2 The Accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Presentation & Disclosure of Financial Statements

The company has carried out classification of Assets and Liabilities into Current and Non-current based on their residual maturity profile as per the requirement of Revised Schedule III to the Companies Act, 2013.

1.3 Summary of Significant Accounting policies

a. REVENUE RECOGNITION:

- | | | |
|----|---|---|
| a) | Interest Income on Loan. | On Accrual basis in line with prudential norms issued by Reserve Bank of India for N.B.F.C. |
| b) | Overdue Interest | Accounted on receipt basis. |
| c) | Dividend | Accounted on right to receive basis. |
| d) | Bank charges recovered from the customers and brokerage paid to dealers and franchisees for the total loan tenure | Accounted at the time of loan disbursement to the customer. |

b. PROPERTY, PLANT & EQUIPMENT AND DEPRECIATION:

- a) Property, Plant & Equipment are stated at the cost of acquisition and installation.
- b) Depreciation on Property, Plant & Equipment is provided on Straight Line method in the manner prescribed in Schedule II of the Companies Act, 2013 (as amended).

c. IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of assets exceeds the recoverable value. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

d. HYPOTHECATION LOAN STOCK:

Recoverable under Hypothecation Loan stock are exclusive of Unmatured Interest after deducting amount received / receivable during the year. Loans secured by Hypothecation of vehicles / Mortgage includes Rs.167.54 (P.Y. Rs.87.09) outstanding Portfolio on which NPA provision of Rs.18.06 (P.Y. Rs 8.56) has been made.

e. REPOSSESSED ASSETS

Repossessed assets represent assets taken back from customers but pending for realization and valued at termination value or estimated realizable value, whichever is lower.

f. INVESTMENTS:

Non Current Investments are stated at cost of acquisition less provision made for the decline, other than temporary, in the value of investments.

Current Investments are stated at lower of cost of acquisition or fair value, determined by category of investment.

g. PROVISION FOR NON PERFORMING ASSETS:

- (a) Provision / write off for Non Performing Assets is made as per the prudential norms issued by the Reserve Bank of India.
- (b) Interest income to the extent remaining unrealized on assets classified as NPA is reversed in Profit & Loss account by debit / reducing 'Interest on loan account' with corresponding credit to the customer account. Such reversal is credited to 'Interest on loan account' to the extent of realization in the subsequent year.

h. EMPLOYEES BENEFIT:

Defined contribution plan: Provident fund contribution is charged to Profit and Loss Account as incurred.

Defined Benefit plan: The Company has an employee gratuity fund managed by LIC of India. The present value of the obligation under this plan is determined based on the actuarial valuation using the projected unit credit method. Actuarial gain or loss is charged to Profit and Loss account.

i. TAXES ON INCOME.

- (a) Current tax is determined on the basis of taxable income computed in accordance with the provisions of the Income Tax Act, 1961.
- (b) Deferred tax is recognized on timing differences, being the difference between taxable income and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carried forward losses, Deferred Tax Assets are recognized only if there is virtual certainty of realization of such assets. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Such assets are reviewed at each Balance Sheet date to reassess realization.
- (c) Deferred Tax Assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

j. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

k. USE OF ESTIMATES:

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

l. CASH & CASH EQUIVALENTS:

Cash & Cash Equivalents for the purposes of cash flow comprises of cash at bank & in hand and short term fixed deposits with an original maturity of three months or less.
